

## PROGRAM SUPPORTS

Simcoe Community Services makes every effort to provide supports that meet the needs of all individuals. The youth program offers a 1:4 ratio during all summer sessions, if a 1:1 Support Worker is required for a youth to participate this **must** be arranged by the family.

In order for a family-employed Support Worker to accompany a youth to our program, that Support Worker must either:

1. Submit a Criminal Reference Check with Vulnerable Sector Screening that has been completed within the last 90 days from the time of submission, **or**
2. Must be a screened CHAP worker (Community Helper for Active Participation) through supportyourway.ca/respiteservices.com

## PHYSICAL INTENSITY LEVEL

The intensity level refers to how active the session is. For instance, a high-intensity session will include an action packed day where there is a lot of physical activity. Low and moderate-intensity sessions will include just as much programming but it will be less physically intense.

***Please refer to the registration form for more information on intensity levels.***

Youth in Action  
2018

This year's summer program is all about learning new skills and creating new memories, all while creating new friendships!

If you are entering or in high school and would like to be more involved within your community, sign-up for one of our skill building sessions now!

## Program Overview:

These amazing summer sessions are designed to provide youth aged 14-21 years with the opportunity to expand their social, recreational and independent living skills while learning about their community resources. Examples of these skills include how to effectively take city transit, preparing for and cooking a meal, nutrition and money management!

- Interactive workshops and activities are incorporated into the sessions to promote skill development and a healthy lifestyle.
- Team Leaders support youth to participate successfully in all skill-building activities.
- Two 3-day, 2-night camping trips where youth plan meals, help build campfires and experience **tent camping** with their peers.

### **WEATHER DISCLAIMER**

Please note that some activities are outdoors and are dependent on good weather. In the case of inclement weather, another activity will be scheduled.

## ART IN FUSION
